ASSESSMENT

ORDINARY CALL

In order to pass the course it is necessary to pass each of the language skills: listening comprehension, reading comprehension, written expression, grammar and vocabulary, and oral expression.

In case of failing any of the competences, the final grade will be 4.0.

The weights of the different parts of the evaluation are shown in the following table:

	PONDERACIÓN
SE7 Listening comprehension	20%
SE8 Reading comprehension	20%
SE9 Written expression	20%
SE10 Grammar and vocabulary	20%
SE11 Oral expression	20%

SE8 Reading comprehension

SE10 Grammar and vocabulary

The **midterm in Semester I** is Friday 17 October 13:30-15:30 - classroom to be confirmed.

The **midterm in Semester II** is Monday 16 February 18:00-20:00 - classroom to be confirmed.

EXTRAORDINARY CALL

The following situations may arise:

1. The student has failed the course in the ordinary exam.

In this case, the student retakes the competencies that he/she did not pass in the regular exam and keeps the grade of the competencies passed, if applicable.

2. The student has requested to attend the extraordinary exam with a grade of 5 or higher in the ordinary exam. In this case, the final grade of the subject will be the one corresponding to this call, being able to be higher, equal or lower (including the failed grade) than the grade of the ordinary call. In addition, if once the student has requested to attend the exam, he/she does not show up, it will be recorded as "Not Presented" and he/she will have to retake the course.

In this evaluation the student will have to retake all the language skills.

PLAGIARISM AND COPYING

In the event of plagiarism in the submission of assignments and other irregularities such as cheating during exams, it will be penalized in accordance with the regulations.

Plagiarism is "presenting another person's work or ideas as your own, with or without their consent, by including them in your work without full acknowledgement. This applies to any material—printed, digital, unpublished, or generated by AI" (University of Oxford, n.d.).

For further details on specific forms of plagiarism, such as verbatim copying, paraphrasing without citation, collusion, inaccurate referencing, and self-plagiarism, see the University of Oxford Academic Skills guidance: <https://www.ox.ac.uk/students/academic/guidance/skills/plagiarism>.

Please note that AI-generated content must not be cited as an author. In these cases, please cite the original sources the content is based on and not the AI tool. Otherwise, using AI texts without acknowledgement also counts as plagiarism.

El plagio consiste en “presentar el trabajo o las ideas de otra persona como propias, con o sin su consentimiento, al incluirlas en tu trabajo sin el debido reconocimiento. Esto se aplica a cualquier tipo de material—impreso, digital, inédito o generado por inteligencia artificial” (University of Oxford, s.f.).

Para más información sobre formas específicas de plagio, como la copia literal, la paráfrasis sin cita, la colusión, la referencia inexacta y el autoplagio, consulta la guía sobre habilidades académicas de la Universidad de Oxford: <https://www.ox.ac.uk/students/academic/guidance/skills/plagiarism>.

Nota sobre el uso de IA: el contenido generado por inteligencia artificial no debe citarse como autor. En esos casos, deben citarse las fuentes originales en que se basa el contenido generado por IA, no la herramienta de IA en sí. En caso contrario, el uso de texto generado por IA sin reconocimiento adecuado también se considera plagio.
