

PRESENTATION

Brief description: Obtain some methodological, theoretical and conceptual tools to study and better understand the society in which we live.

- **Degree and School:** International Relations - School of Law
- **Course and Semester:** 1st Course, Second Semester
- **Course Category:** Basic
- **Number of credits under the European Credit Transfer System:** 6 ECTS
- **Teaching Language:** English
- **Professor:** Elena Álvarez
- **Schedule and location:** see "Contact" details

Lessons:

- Thursdays 10:00 - 11:30. Amigos Building, Floor 0, Room 01
- Fridays 08:00 - 09:30. Amigos Building, Floor 0, Room 10

To ensure the successful running of classes, the use of electronic devices is not permitted during lessons.

LEARNING OUTCOMES (Competencies)

CB1 That students have demonstrated knowledge and understanding of an area of study which starts from a general secondary education base and is usually at a level which, while relying on textbooks, is not yet at the end of the course general secondary education, and is usually at a level which, while relying on advanced textbooks, also includes some aspects which involve knowledge from textbooks, but also includes some aspects involving knowledge from the cutting edge of their field of study.

CB3 Students have the ability to gather and interpret relevant data (usually within their area of study) in order to make judgements that include reflection on relevant social, scientific and ethical topics.

CB4 Students are able to convey information, ideas, problems and solutions to both specialist and non-specialist audiences.

CB5 Students have developed those learning skills necessary to undertake further studies with a high degree of autonomy.

CG04 Use English appropriately according to the scientific and academic terminology of the field of International Relations.

CG07 Critically appraise the international reality and its specific problems.

CE05 Know and understand the theories and conceptions of international relations in historical perspective.

CE20 Evaluate international relations and each of its sociological, historical, legal, political and economic components.

PROGRAM

The program may be subject to minor variations depending on the development of the course.

Universidad de Navarra

- Unit 1: Introduction. The concepts of individual, group and society. Sociological questions and methods
- Unit 2: Classical Theoretical Approaches to Sociology: Comte, Durkheim, Weber, Simmel
- Unit 3: Society, culture, morality and religion
- Unit 4: The process of socialization. The role of the family and groups.
- Unit 5: Conflict, power and social change.

- Unit 7: Main Social Changes in the Contemporary World: sexual revolution, post-secularization, technology and media.
- Unit 8: Risks and Values of an Individualised Society. Thinking new models: multiculturalism, communitarism, cosmopolitism.

FORMATION ACTIVITIES

a. Lectures

b. Debates/discussions/commentaries

Some classes will be devoted to debating about topics of interest and to commenting a text or video.

c. Reading tests

d. Tutoring

Students may voluntarily arrange a meeting with the professor in order to solve the doubts and concerns that might rise in relation to the course.

e. Assessment (see corresponding section)

f. Autonomous personal study

ASSESSMENT

Students will be graded based on the criteria detailed in the "Ordinary Session".

ORDINARY SESSION

- Assistance and participation in class: 10%
- Readings and commentaries: 20% - Four readings are proposed during the semester. Students are required to submit a reading test for each reading. Each reading test will be scheduled during the lesson time and announced in ADI in advance. The texts will be uploaded in the folder "Teaching Materials".

Reading 1: Bauman, "Sociology: What For?", chapter 1 in *Thinking Sociologically*.

Reading 2: Mills, "The promise", chapter in *The Sociological Imagination*.

Reading 3: Simmel, "On Fashion".

Reading 4: Beck, "Drift" in *The Corrosion of Character*, chapter 1.

- Final exam (May): 70% In order to pass the course the students have to pass this exam.

Universidad de Navarra

- Schedule: 12th May, 08:30 - 10:30, Amigos Building Room 10.

EXTRAORDINARY SESSION - RETAKE EXAM

Those students who do not pass the course in May may retake it in June.

Retakers will keep the grades they obtained during the semester for participation and in the reading tests (30%). The exam will be similar to that of May, in the number and style of the questions. It will count for the 70% of the final grade, and it still will be necessary to pass this exam to pass the course.

- Schedule: 25th June

REPEATERS

Repeaters will have to carry out all the tasks and submit all the readings again.
