EDUCATIONAL ACTIVITIES

Students should attend lectures to become familiar with basic concepts and case studies. They also have to study class notes and some other required readings. Students will have to think and analyse some visual and/or written material as part of their regular class assignments. These assignments will contribute to their final grade, as well as a final group project. In summary:

Lectures: theoretical explanations, case studies, analysis and discussions. 26 hours.

Personal study of class notes (and reading material, only if needed): approx. 25 hours.

Assignments: students will have to take individual assignments after class regularly. They will have to upload those assignments through Adi. The teacher will give instructions in class.

Final project in groups of 5-6 students: approx. 19 hours. Oral presentations will be held on **three seminars** on November 10th, 17th and 24th (Aula 11, schedule: from 9.00 to 10.10 and from 10.30 to 11.40 pm,); 3.5 hours.

Exam (December 12th, 2025, 16.00 pm, aula 6, Fcom building): approx. 1,5 hours. It is necessary to pass this exam in order to pass the course.

ASSESSMENT

DECEMBER EXAM: December 12th, 16.00 pm, Aula 6 (Fcom building)

There will be three graded activities in this course:

30% Students will set up **groups of 6 people** in order to prepare a public presentation (a class) about a theme assigned in class. The presentation will be delivered in a seminar on Mondays (morning time: 9.00 to 10.10 or 10.30-11.40): November 10th, 17th and 24th. Please read the guidelines in ADI (available document by September). There will be tutoring hours available with the teacher by the end of October (schedules for tutoring hours will be announced in class). Presentations will be graded and they will become 30% of the students' final grade. **THIS FINAL PROJECT IS COMPULSORY**. Please make sure you have a group for your presentation!!!

20% Personal assignments (in-class participation)

50% Final exam (December 12th, 16.00 pm, aula 6, Fcom building). It is necessary to pass this exam in order to pass the course.

JUNE EXAM: June 9th, 16.00 pm, Aula 5 (Fcom building)

Students who were not able to take or who did not pass the examination in December are offered the opportunity to take a resit examination in June.

Students will only be able to take the June exam if they previously participated in a group project.
