## ASSESSMENT

### ORDINARY CALL

Assessment of the subject consists of two parts (continuous assessment and SE3). **In order to pass the subject, students must pass both parts.** Students who fail a part receive a grade of 4.0. The following table shows the weight of each of part.

	WEIGHT
Continuous assessment	70%
<b>SE3</b> Partial and final assessment	30%

The breakdown of continuous assessment is as follows:

	TOTAL
<b>SE2</b> Problem solving and/or case studies	20%
<b>SE5</b> Assessment of individual and/or team assignments and projects*	40%
<b>SE6</b> Oral presentation and oral defense**	10%

\* The assessment of assignments and projects corresponds to those turned in during the semester according to the project calendar.

Universidad  
de Navarra

\*\* The grade of the oral presentation and defense corresponds to the presentation format defined in the project.

### EXTRAORDINARY CALL

Certain situations may arise, like the ones described below. However, **in order to pass the subject, it is necessary to pass both parts (continuous assessment and SE3)**. Students who fail either part will receive a final grade of 4.0.

1. Students fail the subject when they receive a grade of less than 5.0 in the partial and final assessment, but pass the continuous assessment.

In this case, the grade in the continuous assessment remains valid and the student must take an exam on the entire subject. The weight of the continuous assessment and the partial and final assessment remains valid as in the ordinary session.

2. Students fail the continuous assessment.

In this case, the grade of the partial and final assessment remains valid and, on the day of the exam of the extraordinary session, students must submit the assignment specified by the professors. The weight of the continuous assessment and the partial and final assessment remains valid as in the ordinary session.

3. Students fail both parts of the subject.

In this case, on the day of this session, students must take the exam and submit the assignment specified by the professors. The weight of the continuous assessment and the partial and final assessment remains valid as in the ordinary session.

4. Students request to attend the extraordinary session who received a grade of 5.0 or higher on the exam in the ordinary session. In this case, the final grade of the subject is the one from this session, which may be higher or lower than or the same as (including a failing grade) the grade on the exam in the ordinary session. In addition, students who request to attend an exam, but fail to show up will be recorded as a "No Show" and will have to take the subject again.

In this assessment, on the day of this session, students must take the exam for the partial and final assessment and submit the assignment specified by the professors. The weight of the continuous assessment and the partial and final assessment remains valid as in the ordinary session.

### PLAGIARISM AND COPYING

In the event of plagiarism in the submission of assignments and other irregularities such as cheating during exams, it will be penalized in accordance with the regulations, and such infringement will be recorded in the academic record.
