

PRESENTACIÓN

Breve descripción: This course introduces the student to basic notions of Spanish pronunciation and conversation. We will also learn to identify specific sounds that will improve the pronunciation and intonation in Spanish through phonological study. Interpersonal communication skills in Spanish will also be developed.

- **Titulación:** Programa ILCE
- **ECTS:** 6

ACTIVIDADES FORMATIVAS

The tasks the student must complete in this course are:

- Attend and actively participate in classes. In class, perform the assigned activities, work in groups, and conduct written and oral tasks.
- Study the materials covered in class. When the teacher requires it, prepare some exercises and activities proposed for the classroom at home.
- Periodically participate outside the classroom in the ILCE and community activities, for example:
 - Club de Español
 - Club de Cine
 - Excursions promoted by the ILCE
- Attend meetings with the tutor.
