Universidad de Navarra

Conversación avanzada en Inglés P1

Teaching guide 2026-27

INTRODUCTION

This course consists of practical lessons designed to improve participants' conversational skills and pronunciation. The level is C1, in accordance with the Common European Framework of Reference for Languages (CEFR).

Day and time: Thursday, 12:30 -14:00

Course, semester: C1 Conversation, Semester 1, 2026-2027

Language: English

Room: in aula S03, Amigos Building

Teacher: Douglas Anderson / danderson@unav.es

LEARNING OUTCOMES

Listening comprehension

- I have no or very little difficulty in understanding any kind of spoken language, whether live or broadcast. This is also the case even when delivered at fast native speed, provided I have some time to become familiar with the accent.

Spoken interaction

- I am able to present clear, detailed descriptions of complex subjects, integrating other themes and developing points. I can take part effortlessly in any conversation or discussion and am familiar with idiomatic expressions and colloquial language. I am able to express myself fluently and convey nuances of meaning precisely. When difficulties are encountered, I have the resources to overcome these without altering the flow of a conversation.

PROGRAMME

The topics chosen for this conversation course will be based on current affairs and a list drawn up by myself and students in the first class. This list is flexible and proposals are always welcome. Materials used will primarily come from authentic sources such as video, newspapers, websites etc.

ASSESSMENT

As this is a conversation course, there is no formal evaluation.

University staff subsidized by FUNDAE will receive the bonus if they meet the attendance requirements set by FUNDAE:

in-presence classes: 75% of total sessions

There will be an academic record, reflecting students’ performance on the course. They will receive a “Meet requirements or “Does not meet requirements” assessment, based on attendance and participation

OFFICE HOURS

Please send me an email at danderson@unav.es to arrange a meeting.
