COMPETENCIAS

A minimum of 4-5 hours of self-study per week is highly recommended to obtain the B2 level of English.

The student will have already passed a B2.1 course and/or taken a UNAV placement test stating that the student can proceed to B2.2 .

Here are the objectives to reach at the B2 level English course:

Listening: Student can understand extended speech and lectures and follow even complex lines of argument provided the topic is reasonably familiar .He / She can understand most TV news and current affairs programmes and the majority of films in standard dialect.

Reading: Student can read articles and reports concerned with contemporary problems in which the writers adopt particular attitudes or viewpoints and can understand contemporary literary prose.

Spoken Interaction: Student can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible. He/She can take an active part in discussion in familiar contexts, accounting for and sustaining my views.

Universidad
de Navarra

Spoken Production: Student can present clear, detailed descriptions on a wide range of subjects related to my field of interest. He /She can explain a viewpoint on a topical issue giving the advantages and disadvantages of various options.

Writing: Student can write clear, detailed text on a wide range of subjects related to his /her interests. He / She can write an essay or report, passing on information or giving reasons in support of or against a particular point of view and write letters highlighting the personal significance of events and experiences.

PROGRAMA

There will be two 90-minute sessions per week. There will be a continuous assessment involving a midterm examination, written work, consolidation exercises in the workbook and online, different quizzes, student's participation in class and a final examination, including an oral exam. The final mark will be awarded according to the results obtained in all sections of the course.

There will be two 90-minute sessions per week, one of which the student will have to attend in the classroom and one will be done at a distance through video conference or recorded video at a different time. There will be a continuous assessment involving a midterm examination, written work, consolidation exercises in the workbook and online, different quizzes, student's participation in class and a final examination, including an oral exam in December. The final mark will be awarded according to the results obtained in all sections of the course.
