- **Módulo/Materia:** Security in a Globalised World
- **ECTS:** 3 ect
- **Curso, semestre:** 5º, Segundo
- **Carácter:** Obligatorio
- **Profesorado:** Juan Ángel Soto
- **Idioma:** Inglés
- **Aula, Horario:** Aula 13 (Edificio Amigos). Friday from 12:00 to 14:00

PROGRAMA

Course Outline: Security in a Globalised World

Introduction: This course examines how globalisation influences traditional and non-traditional security challenges, exploring global, regional, and national approaches to maintaining security in an interconnected world.

January 9th. Session 1: Introduction to International Security and International Relations Theory

• Topics:

- Introduction to Theory of International Relations.
- Defining security: Traditional vs. non-traditional security.
- Impact of globalisation on security paradigms.
- Key actors in global security: States, international organisations, and non-state actors.

January 16th. Joint session with George Quinlan

January 27th. Session 2: Globalisation and Its Impact on State Sovereignty (Room M5 Amigos Building from 17:30 to 19:30)

• Topics:

- The tension between state sovereignty and global governance.
- The role of international organisations (e.g., UN, NATO, WTO).
- Examples of sovereignty challenges (e.g., EU integration, cyber sovereignty).

- **Activities:** Debate on the trade-offs between sovereignty and global cooperation.

January 30th. Session 3: International Terrorism and Global Security

• Topics:

- The globalisation of terrorist networks.
- Counter-terrorism strategies in a globalised context.
- Balancing civil liberties and security.

February 6th. Session 4: Economic Security in a Globalised Economy

• Topics:

Universidad de Navarra

- Economic interdependence as a source of stability and vulnerability.
- Trade wars, sanctions, and economic coercion.
- Resource security (e.g., energy, water, food).

- **Activities:** Simulation on the impact of economic sanctions on global security.

February 13th. Session 5: Climate Change and Environmental Security

• Topics:

- Climate change as a global security threat.
- Migration, resource conflicts, and natural disasters.
- International agreements and initiatives (e.g., Paris Agreement).

February 20th. Essay No. 1 (10%)

February 27th. Session 6: Migration and Human Security

• Topics:

- Migration as a security issue: Refugees vs. economic migrants.
- Impact of globalisation on migration flows.
- Regional approaches to managing migration crises.

- **Activities:** Case study on the European migration crisis.

March 6th. Session 7: WAR IN IRAN

• Topics:

- Pandemics as security threats in a globalised world.
- Lessons from COVID-19 and other health crises.
- Strengthening global health governance.

- **Activities:** Review of the World Health Organisation's response mechanisms.

March 13th. Session 8: WAR IN IRAN IN THE CONTEXT OF Great Power Competition in a Globalised World

• Topics:

- Shifts in global power dynamics (e.g., US-China rivalry).
- Globalisation as both a cause and arena of competition.
- Regional flashpoints (e.g., South China Sea, Arctic).

- **Activities:** Role-playing exercise on multilateral conflict resolution.

March 20th. Essay No. 2 (15%)

April 24th. Review Session

EVALUACIÓN

- Attendance and Participation: 20%
- Essay 1: 10%
- Essay 2: 15%
- Final Exam: 55%
